INFORMATION ON CORONAVIRUS/COVID-19

Before Coming to your Appointment:

If you have a fever and/or new respiratory symptoms like cough or shortness of breath, **please call before coming into clinic.**

We can convert most appointments to telemedicine, especially for those who have COVID-19, new symptoms, or known exposure to COVID-19.

If you have any serious or concerning symptoms, please call 911.

All patients should complete their new patient paperwork online prior to their appointment! **Telemedicine patients must complete their paperwork online.** If you cannot complete your paperwork online, please arrive 30 minutes early for your appointment.

In-Person Appointments:

Physicians, staff, and patients are required to wear a mask while present in clinic.

We encourage frequent use of hand sanitizer and enforce social distancing in our lobby area to the best of our ability.

All equipment and rooms are cleaned and sanitized in-between patients.

Frequently Asked Questions Regarding COVID-19:

CCPSA will **not** provide letters exempting patients from wearing a mask.

CCPSA will **not** provide letters exempting patients from work due to COVID-19 concerns.

If you are ill and need to be evaluated for a health-related work absence, you will need to set up a telehealth appointment with one of our providers.

We do not currently have access to the COVID-19 vaccine and do not know if or when the vaccine will be made available to our clinics. Click below for more information regarding COVID-19 vaccination, and check back later for updates!
